SECONDARY PHYSICAL EDUCATION UNIFORM POLICY

To enable **PE/OED/Dance/Drama** classes to run effectively, all students must meet the following requirements:

1. Students should arrive each morning dressed in their uniform, including blazer in winter. If a student has early morning training, they should still be arriving dressed in their uniform to ensure that they do not leave any part of their uniform at home.
2. If a student has sport **Period 1 or 2**, he or she may arrive at school in Sport uniform, but full uniform is to be packed in order to change at recess. However, if there is a Mass or Assembly during Period 1 on a Wednesday, students have to come to school in school uniform and will then change for sport classes after the Mass or Assembly.
3. Students with sport **Period 3 or 4** should change at **recess and back again during lunch**.
4. Those with sport **Periods 5 or 6** should get changed **during lunch** and **may travel home** in their sports uniform.
5. If a student chooses more than one sport class in their subject selection, this can sometimes result in two sports classes in one day. **Under these circumstances only**, a student may arrive at school in Sport uniform and stay in it for the whole day.
6. Students who are representing the College in afterschool sport will be given time to change at the end of the day and should follow the normal procedures depending on when their sport period is during the day. If a student develops an issue with their uniform in the course of the school day, he or she should see the Head of Year as soon as possible.

COLLEGE HAIR POLICY

Students are expected to be well groomed and have a sense of pride in their appearance. Students are expected to look clean, neat and tidy.

2. If hair is longer than the top of the uniform collar, it must be tied back neatly with a hair tie (hair that does not meet the required length must be pinned or styled away from the face using hair product).
3. Hair must be styled off the face.
4. Hair must be no shorter than a number 3 cut.

PLEASE NOTE:

The Uniform Policy and the College Rules with the relating consequences, reflect the day-to-day operations of the College. It is the expectation of all College staff that students returning from holiday breaks have had ample time to correct any uniform issues. As such, if there are any uniform issues (for example incorrect skirt length) when students return from holidays, the Head of Year team will send students home until the issue is rectified.
